

ALPHA PLUS

Vitamin C Serum

Overloaded 30% VIT C

The Anti aging formula with higher percentage of VIT C (30%)

Science you trust

Alpha Plus Vitamin C Serum Active Ingredients

Ref.(1)

Vitamin C (30%)

- Minimizes age spots and other sign of skin aging.
- Prevents signs of premature aging (fine lines and wrinkles).
- Repairs skin firmness and brightness.

Ref.(2), (3)

Hexapeptide-8 (Botox like effect)

- The Bio-safe alternative to Botulinum Toxin, addressing wrinkles from facial muscle contractions.
- Enhances skin elasticity and appearance by boosting collagen and elastin activity through excellent water-binding properties.

Ref.(4), (5)

Niacinamide (Vitamin B3)

- Evens the skin's tone.
- Bolsters skin's immunity.
- Manages skin's blemishes.
- Shields skin from UV.
- Retains Skin's moisture.

Ref.(6)

Sodium Hyaluronate

- Sodium hyaluronate's smaller molecular size allows for deeper skin penetration compared to hyaluronic acid.
- Improved Skin Barrier Function.
- Increased Skin Elasticity.
- Reduction of Fine Lines and Wrinkles.

Results your Patients Deserve

Alpha Plus Vitamin C Serum

Ref.(1)

Features

- Higher percentage of vitamin C 30%.
- Anti-oxidant and free radical scavenging activity.
- Potential anti inflammatory properties.
- Promotion of collagen synthesis.
- Inhibition of tyrosinase (skin brightening).

Benefits

- Reduction of blotches and age spots.
- Prevention of premature aging (fine lines and wrinkles).
- Improvement of skin clarity, brightness and firmness.
- Minimal skin irritation or itching with usage.
